*Having been involved in many community and semi-professional music organizations, I am aware of the etiquette, pride and hard work that forms the foundation of any community centric ensemble. After studying music performance, I am sensitive to subtle nuances and the amount of focus necessary to play and contribute to a piece of work at the highest professional level. I have performed with various orchestras, bands, wind ensembles, chamber groups and pit orchestras.*

### Ensemble Experience

| <u>Organization</u>        | <u>Type</u>                           | <u>Instrument</u> | <u>Year</u> |
